informed educational practices*

## RECENT NEWS

**Good news!** IlluminatED has been extended until the 30th of September, which means our team will be able to develop and disseminate more products for teachers and students about the IlluminatED Science of Learning!

We have released our openly licensed e-book, the **IlluminatED Science of Learning Concepts for Teachers** (read it [here](#)), that introduces teachers to key concepts of the Science of Learning and provides an extensive list of references for those looking to deepen their knowledge about this field. Translations of the e-book in Finnish, Greek, Spanish and Portuguese will be available shortly.

At the International Conference on Advanced Learning Technologies and Technology-enhanced Learning Conference (ICALT 2020), two research papers related to Project IlluminatED were presented:

- Beardsley, M., Gutierrez, N., & Hernández-Leo, D. (2020, July). [Examining university students' motivation, abilities and preferences related to learning to learn](#). In *2020 IEEE 20th International Conference on Advanced Learning Technologies (ICALT)* (pp. 346-348). IEEE.
- Albó, L., Beardsley, M., Amarasinghe, I., & Hernández-Leo, D. (2020, July). [Individual versus computer-supported collaborative self-explanations: how do their writing analytics differ?](#). In *2020 IEEE 20th International Conference on Advanced Learning Technologies (ICALT)* (pp. 132-134). IEEE.
